This Contract is made between the Accordia Company affiliate(s) listed on your Producer Contract Application for which you applied and its predecessors, successors and/or assigns ("we" and "us") and the person, firm or corporation named above.

1. Appointment

We hereby appoint you to act as our independent producer, subject to the terms and conditions stated below, to procure applications for the insurance products described in the attached addendums. You are authorized to solicit only those insurance products where the products have been approved for sale by the respective state insurance authority and you have been properly licensed. You agree to comply with all applicable governmental statutes, regulations, rules, regulatory opinions, decisions and other laws in conducting insurance business, and with our rules, policies, guidelines, operating procedures, etc. that we publish from time to time. You agree to make reasonable efforts to determine the insurable needs and interests and/or financial objectives of the customer based upon relevant information obtained from the customer and enter into transactions that assist the customer in meeting their insurable needs and interests and/or financial objectives including, but not limited to, conducting an insurance suitability analysis as may be required by law or Company practice. You may not apply as an owner of any insurance policy on the life of a prospective customer, nor list yourself as beneficiary of any such policy, unless you have a legitimate insurable interest in the life of the proposed insured as determined by appropriate law and by us. You may not make any representations, promises or warrants regarding product benefits or values not specifically stated in the insurance contract. This includes any statements that insurance current contract dividends or interest, or any contract values based on current dividends or interest, are guaranteed. This also includes any statements regarding the future projected values of any insurance product. You agree to notify us upon receipt of any customer complaint you or any of your sub-producers receive concerning you or any of your sub-producers, or us or any of our products in accordance with any complaint handling policy, procedure or guideline as we may publish from time to time. You also agree to give your full and complete cooperation in responding to any customer complaint or inquiry and will promptly respond, in writing, if and when we so request. You may not give any legal, investment or tax advice on our behalf.

2. Independent Contractor

You are our independent contractor. Nothing contained in this Contract may be construed to create an employer-employee relationship between you and us. You are free to exercise independent judgment as to the time, place and manner you may perform the acts you are authorized to perform under this contract; but from time to time we may set forth certain rules, policies, guidelines and operating procedures with respect to the conduct of business by which you must abide. You have no authority, express or implied, to act in any manner or by any means for or on behalf of us in any capacity other than that of an independent contractor, and you have no authority to act in any manner except as herein expressly set forth. No authority may be implied from the authority expressly granted herein. All applications for insurance contracts must be acceptable to us in our sole discretion and our right of acceptance or rejection is absolute and unrestricted. For commissions paid on all premiums, you are an independent contractor and are responsible for withholding and reporting any and all taxes, such as federal, FICA, state withholding and any local self-employment taxes on your commissions.

3. Authority over Producers

You are our independent contractor. You have authority to recruit and recommend to us individuals to be appointed as our producers. No recommendation or application for appointment or contract will be effective until approved by us at our home office. You may designate producers on whose production you are to receive compensation from us, in a form that is acceptable to us. You are responsible for the activities of any such producers on whose production you are entitled to receive and/or have received compensation from us (referred to as "your producers"). You are responsible for providing proper and adequate supervision and training of your producers, and for such producers' compliance with the terms and conditions of their contracts with us and with all applicable governmental statutes, regulations, rules, regulatory opinions, decisions and other laws in conducting insurance business, and with our rules, policies, guidelines, operating procedures, etc. that we publish from time to time. You are responsible for all tax reporting that may be required with respect to your producers, including any withholding and reporting such as federal, FICA, state withholding and any local self-employment taxes.

4. Company's Exclusive Authority

Only we have the authority to change any of the terms, rates or conditions of our contracts or policies. You, on your own

behalf or on behalf of your producers, have no authority personally or on our behalf to make, modify or waive any of the terms or conditions of any insurance contract; to bind us by making any promise or by accepting any representation or information not contained in an application for an insurance contract; or to incur any obligation or liability for which we shall be responsible. We may at our discretion:

- a. Modify or amend any insurance contract;
- b. Set maximum and minimum limits on the amount for which any insurance contract may be issued;
- c. Modify the conditions under which any insurance contract may be sold;
- d. Discontinue or withdraw any insurance contract from your state(s);
- e. Cease doing business in your state(s);
- f. Establish rules governing the commissions to be paid on any insurance contract which has been reinstated, converted or has replaced an existing insurance contract;
- g. Determine the amount of commissions to be paid on insurance contracts not enumerated herein;
- h. Make charges for rejected, undelivered or reissued insurance contracts;
- i. Audit the sales and marketing business practices of you or any of your producers, which may include onsite audits.

5. License

Subject to rules we may establish from time to time, we may pay license appointment fees required by the state in which you have your principal place of business.

6. Receiving Premiums

You have the authority to collect the first premium only and shall promptly remit that premium to us. We do not accept premium payments collected in the form of cash, money order, traveler's checks, third-party checks or "blank" (counter) checks. You may not commingle policyowner premiums with your personal funds or with your agency funds, and premium payments may not be remitted from personal or agency accounts (except on policies you personally own or except as specifically otherwise agreed in advance in writing). All monies received by you for or on behalf of us must be made payable to us, and you are not authorized to endorse or cash checks, drafts, money orders or financial instruments made payable to us. With respect to an application for a life insurance contract, if you collect an initial premium payment at the time of application you are to provide a completed Conditional Receipt Agreement to the customer with a copy to us along with the premium payment.

7. Advertising

You are responsible for knowing all laws, regulations and standards relating to the marketing and sale of insurance contracts in all states where you are licensed and/or conducting business.

Any sales promotion, sales material or other advertising material you use in connection with the solicitation and/or sale of our products must be submitted to us for our prior written approval of each specific item, pursuant to our published Advertising Guidelines.

8. Delivery of Policies

Insurance contracts must be delivered promptly and those not delivered within our required, published delivery period must be returned to us promptly.

9. Return of Premium/Chargebacks

At any time, we may reject, decline, cancel, rescind, or modify applications for insurance contracts for any reason and at our sole discretion, and we may return the premium or any portion thereof to the customer. At any time, we may cancel or rescind any insurance contract for any reason and at our sole discretion and we may return the premium or any portion thereof to the contract owner. You are not entitled to any compensation with respect to any returned premiums, or on any insurance contracts that are rescinded, declined or canceled by us for any reason. Upon our written demand, you will return to us any commission or other compensation paid to you and/or your producers on insurance contracts that are rejected, canceled, rescinded, not taken, or modified, and/or on returned premiums. Any such compensation that is not returned to us upon our written demand will become an indebtedness of yours. With respect to insurance contracts which are canceled within the "free look" period, we will chargeback to you the entire commission and/or other compensation paid on such insurance contract. You will return to us within five (5) days of written demand any commissions and/or other compensation due to us with respect to this paragraph.

10. Other Company Policies, Procedures and Guidelines

You are responsible for reviewing, understanding and complying with all of our policies, procedures and guidelines which we publish from time to time, which are located on our producer extranet website. You acknowledge and agree to review these policies, procedures and guidelines upon confirmation of your appointment with us and to review them periodically throughout the term of your appointment. You will abide by, and will ensure that all of your sub-producers abide by all such policies, procedures and guidelines that we may establish from time to time, including, without limitation, our Premium Finance Guidelines, our Market Conduct and Compliance Practices and the requirements of federal and state law or regulation. You acknowledge and agree that all such policies, procedures and guidelines may be revised or discontinued by us at any time and from time to time, in our sole discretion and without prior notice to you.

You are required to maintain Errors and Omissions (E & O) insurance coverage at all times with policy limits of at least \$1,000,000 per claim/\$1,000,000 annual aggregate, or such other limits as we may require from time to time. You must provide us with satisfactory evidence of such E & O coverage as we may reasonably request from time to time, but at a minimum annually. You acknowledge and agree that the Company may withhold all commissions and/or other compensation due to you pursuant to this Contract until you provide satisfactory evidence of the minimum E & O coverage limits described above. You must provide us with notification within ten (10) days of any cancellation, change of policy provisions or carrier, or other termination of such E & O coverage. Failure to maintain said E & O coverage may result in your suspension or termination of your contract.

11. Privacy of Customer Information

We may from time to time provide you with certain non-public personal financial and health information on our customers for the purpose of performing services for us or functions on our behalf. You are expressly prohibited from disclosing or using a customer's non-public personal financial and health information other than to carry out the purposes for which we disclosed the information. Subject to applicable state or federal law provisions, such purposes include the joint marketing and/or marketing services of our products in the ordinary course of our business to carry out the joint marketing and/or marketing services of our products. You will keep all information strictly confidential. You will comply with all federal and state requirements regarding the disclosure of medical information, including but not limited to the provisions of HIPAA. You will maintain adequate privacy systems and safeguards to protect the confidentiality of such customer information, consistent with current law.

12. Contract Non-Assignable

Any assignment or pledge of your commissions under this Contract must have our prior written consent, and is subject to our prior security interest and right of offset. All other rights under this Contract are personal to you and may not be transferred or assigned by you.

13. Compensation

Compensation, fees and bonuses, if any, will be paid in accordance with the commission schedule provided to you, as modified from time to time, for production by you or your producers. Amounts payable to you on sales by your producers will be reduced by the amount payable to such producer(s), so that you will receive only the override on such sales. We reserve the right to revise the Commission and/or Service Fee rate levels set forth in the commission schedule at any time and from time to time, at our sole discretion. You must obtain your commission statements and production reports by accessing our producer extranet website. If commissions are payable to you by an upline producer under a "zero comp" or "license only" arrangement, you agree that we have no obligation to pay any compensation directly to you and you agree to indemnify and hold us harmless from all losses and expenses, including attorneys fees, resulting from any claim by you for such compensation, notwithstanding anything contained herein to the contrary.

We may amend from time to time the terms and conditions for payment of Compensation as set forth on any supplement. We will give you written notice of any such amendment. No amendment will reduce the Compensation paid to you on business sold by you or your producers prior to the effective date of the amendment. To the extent you are required by any state or federal law to disclose to a consumer your compensation earned, you will abide by any and all such requirements in a timely manner. You shall not discount or offer to discount premiums and you shall not engage or offer to engage in the direct or indirect rebating of compensation that is paid or payable in connection with the sale or purchase of our insurance products whether or not permitted under applicable state law.

No compensation or other fees will be paid on premiums waived under the provisions of any policy procured by you or any of your sub-producers.

14. Indemnity and Indebtedness/Right of Set-Off

You agree to indemnify and hold us harmless for any losses, claims, liabilities, lawsuits, costs or expenses we incur (including attorneys' fees and costs) as a result of any acts or omissions by you or your producers. This indemnity and hold harmless will extend to any indebtedness you or your producers incur (including the costs of collection and attorney's fees including, but not limited to, commission chargebacks as described in paragraph 9 of this Contract). You agree to pay any debit balance owed to us when due, and any debit balance(s) of your producers remaining after completion of any debt collection we may undertake. You grant to us a first priority security interest in all compensation payable to you to the extent of any indebtedness or other obligation you or your producers owe to us, and we will have the right of offset against any such compensation or any other monies paid or owed to you. Any amount not fully paid within thirty (30) days of demand will bear interest at the rate of 6.75% per year, as amended from time to time upon notice to you.

15. Termination

This Contract may be terminated with or without cause by either you or us immediately upon written notice to the last known address of the other party. This Contract is terminated automatically without cause upon your death if it is an individually signed (non-corporate) contract, or if you are a partnership, LLC or corporation, upon any event legally or contractually causing the dissolution of that entity. We may terminate this Contract "for cause" immediately upon written notice to your last known address. "For Cause" shall include, but not be limited to, the following:

- a) you withhold, embezzle or misappropriate any money or other property belonging to us, to a policyowner or to an insured;
- b) you subject us to a liability;
- c) you fail to comply with the laws, rules or regulations of any federal, state or other governmental agency or body having jurisdiction over you or us, or with our rules and operating procedures, including without limitation those rules and procedures set forth in our Compliance Guide and our OFAC and AML policies and procedures;
- d) you commit a material breach of this Contract;
- e) you commit any fraud or material misrepresentation of fact including but not limited to misrepresentation of any fact on the Application for Contract;
- f) you fail to pay any indebtedness to us upon demand;
- g) you are, or have ever been, convicted of or plead guilty or nolo contendere ("no contest") to any felony or to any crime involving dishonesty, breach of trust, or violation of any federal law;
- h) you are not a duly licensed insurance agent;
- i) you engage directly or indirectly in rebating of commissions payable or paid in connection with the purchase of insurance contracts; or
- j) you engage in any effort to systematically replace the policies or contracts written with us by you or your producers.

Upon termination for cause, no further compensation will be payable hereunder. Except as otherwise provided, first year and renewal commissions will be fully vested as premiums are applied. Upon termination with or without cause, no further service fee commissions or performance and persistency bonus payments, if any, will be payable, and supplies and all other property and materials, including marketing materials and company business cards, furnished by us will be returned to us within ten (10) days. In addition, any bonus plan and finance plan payments, if any, will cease upon any termination of this contract, unless agreed to otherwise by us in writing.

Following termination with or without cause, we may withhold any compensation or other monies payable to you for a period not to exceed 365 days.

16. Suspension

We retain the right, with or without prior notice, to place you and/or any of your sub-producers on suspension and/or suspend the processing of any submitted insurance or annuity applications as a result of (i) any suspected or alleged misconduct; (ii) any violation, breach, suspected violation or suspected breach of any provision hereof; or (iii) any complaint issued or disciplinary action taken, by any state or federal insurance agency or department, the Financial Industry Regulatory Authority, Inc., or any other governmental or quasi-governmental entity. During the period of suspension, suspended agents may not take any action to solicit or procure applications for our products, directly or through agents, brokers or employees. Furthermore, during the period of suspension, suspended agents will not be entitled to qualify for any reward, incentive or other promotional programs including, but not limited to, conference credits, previously awarded to them or awarded during the period of suspension. The period of suspension will not exceed three (3) months or such longer period as we may deem appropriate for the investigation of such violation or suspected violation. We reserve the right to terminate you or any of your sub-producers at any time during the period of suspension and the duration of the suspension will count towards any requirement that you or your sub-producer receive notice of termination, including the notice requirements set forth in Section 15 above.

17. Arbitration

You and we agree that any disputes arising out of or relating to this Contract will be arbitrated in accordance with the Rules of the American Arbitration Association and the Federal Arbitration Act. Notwithstanding this, you and we agree that only the Company has the right to waive the provisions of this paragraph, at its sole and absolute discretion. Arbitration may not be initiated unless the party requesting arbitration has given the other party at least 30 days prior written notice of its intent to initiate arbitration and a detailed description of the basis of the dispute. A single arbitrator (or, in any matter in which the amount in controversy exceeds \$100,000, a panel of three arbitrators) shall interpret this Contract in accordance with Iowa law without resort to conflicts of laws rules and shall conduct proceedings in accordance with the Federal Rules of Civil Procedure. Any punitive damages awarded by the arbitrator(s) shall not exceed two times compensatory damages awarded. Any award of the arbitrator shall be deemed final and judgment upon such award may be entered and enforced in any Iowa District Court and transferred to any other jurisdiction. Such arbitration will be held in Des Moines, Iowa.

18. Non Interference

As a condition of, and material inducement to the consideration set forth herein, you agree you will not, for a period of two (2) years following termination of this Contract, directly, indirectly, or through others, induce or urge any policyowner, after termination of this Contract, to lapse, exchange, surrender or otherwise terminate any policy, or induce or urge any employee or member of our field force to terminate any relationship with us. In the event this provision is violated and without limitation of our other remedies, all your rights to Compensation under this Contract will immediately cease and you will be liable for any damages we suffer. You further agree that money damages for your breach of this provision will be inadequate and that we are also entitled to seek injunctive relief to prevent further breaches of this provision. We may seek that injunctive relief, coupled with any claim by us for damages, in any state or federal district court in Des Moines, Iowa, and you agree that those courts

have personal jurisdiction over you for the purpose of such actions, which shall not be subject to the Arbitration provisions of this Contract.

19. Contract Binding on Principals

In the event that you are contracting with us as a corporation, partnership, LP, LLC., or other business entity, it is further agreed and guaranteed by the principals of said business entity that all terms and conditions of this Contract shall be binding on them severally and jointly in the same manner as upon the entity named as the producer.

Understanding your Commissions – Per-Policy Annualization of Life New Business

Effective May 4, 2015, Accordia Life will offer per-policy annualization of first year commissions to eligible agents. The per-policy annualization methodology will be administered as follows:

- The default payment method for all agents is to be paid as earned.
- In order for policy commissions to be annualized on a per-policy basis, an agent's annualization limit must be established prior to policy issue, with an effective date on or before the application sign date. Similarly, if an annualization limit is to be increased, it must be processed and made effective prior to policy issue.
 - To establish or make changes to an annualization limit, an agent's top of hierarchy must complete form #20007 and submit to the Home Office prior to policy issue.
- For pending policies, the Annualization Advance Agreement effective date can be backdated to the application sign date of the oldest pending policy, but not prior to the application sign date of any issued policy.* Policies already issued will not be affected.
- Only policies set up on monthly PAC billing at the time of issue will be included in the annualization calculation.
 - Policies that are billed direct monthly, quarterly, semi-annually or annually will not be included in the annualization calculation.
- Agents will receive commissions based on 100% of the anticipated annual premium, up to the per-policy limit established by the agent's top of hierarchy. All additional commissions will be paid on an as earned basis.
 - Only first year commissions will be annualized. Annualization does not apply to excess or renewal commissions.
- Unearned commissions will be recouped (charged back) at the time any one of the following events occur:
 - No additional premium is received within 90 days of issue
 - One year after issue, the total anticipated annual premium has not been received
 - Writing agent is updated to someone other than the original writing agent
 - Billing mode is updated to a mode other than monthly PAC
- Policies will be re-annualized after any reinstatement or reissue has been processed.
 - The policy must be set up on monthly PAC billing mode at the time of reinstatement or reissue.

*Per-policy annualization is not available on any policy with an application sign date prior to 5/4/15.
