

SAT SUITE OF ASSESSMENTS

Approved Dictionaries List

SAT School Day, PSAT/NMSQT, PSAT 10, and PSAT 8/9

College Board–Approved Word-to-Word Dictionaries for the SAT Suite of Assessments

This list of dictionaries has been reviewed by College Board and approved to use for the SAT® School Day, Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®), PSAT™ 10, and PSAT™ 8/9 assessments. Schools may allow students to use any one of these supports during testing without further approval from College Board. Students using these supports will receive scholarship reportable and college reportable scores.

Instruct students to review the dictionary ahead of test day. Supports cannot be brought on test day— school staff must collect the books before test day to check them for any writing and/or inserts that are inappropriate. On test day, the proctor will distribute the books to students with their test materials and collect the books after testing.

The use of any dictionary not included in this list is prohibited. The approved dictionaries provide word-to-word translations only. Electronic dictionaries are not allowed. Presently, dictionaries are not allowed for the SAT Weekend administered on a published Saturday test date.

IMPORTANT: *The dictionaries listed here were available as of November 2024; however, their availability is subject to change.*
